FEATURED WINES

Francis Coppola "Director's Cut"

"Winemaking and filmmaking are two great art forms that are very important in the development of California.

They both start with raw ingredients—in the case of wine, the land and the grapes, and in the case of film, the script and the actor's performances. The director does the same thing: a series of yeses and nos, from casting and costuming to edits and sound mixes.

In both cases you have to start with top notch

Director's Cut Chardonnay Russian River

A seductive, round texture and notes of sweet vanilla with highlights of green apple, honeysuckle and citrus flavors

11 glass 37 bottle

Director's Cut Cabernet Alexander Valley

Enticing aromas of cola, cherry, and eucalyptus before revealing flavors of dark, rich berries, cassis and black cherries.
